Pricing terms

All catalogue prices are net list prices in EUR, excluding VAT and shipping. The combined quantity of B2B table frames determines the discount tier. Accessories and tabletops do not count towards the minimum quantity, but eligible B2B items receive the same discount.

Ordering and advice

Enter your quantities in the Excel order form. Standard shop terms apply below five table frames. New products, custom-made items and items marked on request are quoted individually. Please enquire about availability.
